Dear Parents:

Carrie Henry is in graduate school at Northeastern University. Fortunately (gratefully) her semester project of "creating a website for a business, real or fictitious" has benefited us at D.A.D. The website, www.dayafterday.org, will be up and running by June 30th.

As photos will be included on the site, I am enclosing a waiver for you to complete. Please know that **NO CHILD'S NAME** will be published on the website.

Also, the D.A.D. Parent Board meeting is rescheduled for Tuesday, June 2nd at 6:00 pm here at D.A.D.

Thank you,

Diana A. Erba
